

Cobra Toys – Warranty and Returns Policy

Cobra Toys first priority is product safety and quality. All products are inspected by the highest standards and receive the required certification.

Cobra Toys warrants its products to be free of manufacturers defect for 90 days from the date of purchase. Warranty excludes any issues relating to misuse, crash damage, improper care or normal wear and tear.

To activate your 90 day warranty policy, please e-mail us the following:

1. Picture of the product with its original packaging.
2. Clear copy or picture of your receipt or any other proof of purchase.

In case the warranty is not valid, Cobra Toys offers you one of the following options:

1. Purchase a new toy at special discounted replacement price including shipping charge .

Details:

- Your Cobra Toy was purchased within the last six months, and it is no longer working.
 - You have the original receipt and packaging or you have the original receipt and have retained the proof of purchase UPC code from the packaging. Cobra Toys will confirm if your purchase qualifies for this service, and send you a replacement at the special discounted price .
2. If you've purchased a Cobra Toy RC helicopter and wish to fix the product by yourself -Cobra Toys can send you a complete RC Helicopter replacement that is **non functioning** for spare parts for a highly discounted price including shipping.

-Please Note this option is recommended only For the Advanced Hobbyist with the proper work space and tools. Not recommended for the average user.
